USATF Coach (Sprints, Long Jump, Throwers)

Eric Vaughn

Asst. Coach
USATF Coach (Cross-Country, Long Distance)

Dear Potential Sponsor,

The Estrella Wolves Cross Country Club needs your help. We are a registered non-profit 501(c)(3) youth sports program with an all-volunteer staff that needs to partner with some corporate sponsors, to allow us to continue our mission to enhance the self-esteem, confidence, physical fitness, and personal growth of our youth athletes. We do this by focusing on our key founding principles of: Courage, Commitment, and Consistency; we feel these are instrumental in preparing each child for success and good citizenship in every aspect of their lives.

There are many benefits that come with sponsorship of the Estrella Wolves Cross Country Club. In addition to the tax deduction, there are opportunities for cross promotion of your business on our team website. As a result of your support and generosity to our athletes, you will have potential recognition and goodwill from your customers, clients, and suppliers for the achievements that the athletes accomplish,

Although we limit the fees of participation, there are many athletes whose families struggle to afford the cost. We believe every child should have the opportunity to participate in elite activities where they will be coached physically, mentally, and emotionally by highly skilled and accomplished staff, regardless of their financial status. Therefore, we are seeking donations to be able to cover the various expenses that include race entry fees, uniforms, shoes, awards, equipment, insurance, track rental, and travel expenses for the coaches, and all the athletes that qualify for both-the USATF Junior Olympic Regional and National Championships.

Cross Country is one of the rare sporting opportunities, where athletes of all ages and abilities can compete and quantifiably measure improvement. The Estrella Wolves Cross Country Club recognizes and presents an award each time an athlete breaks a personal record in any event, this will allow them to build confidence, based solely on their own performance and continually encouraging them to strive for improvement.

Our athletes compete in several track meets throughout the year in Arizona, but the pinnacle of Youth Cross Country is the Junior Olympic competition that was developed by USA Cross Country, as the breeding ground for future Olympians. Many of our athletes qualify for the Regional Championships (top 4 in each state) and National Championships (top 5 in each Region).

The Estrella Wolves Cross Country Club humbly asks for your help. Your generous support will allow us to continue to help these kids strive for their dreams, succeeding both on and off the field. This includes the classrooms to strive towards academic success. We encourage and support this and someday you may be able to say that you helped make it possible for an athlete to become an "Olympian".

Please contact us directly with any questions or concerns.
